

My Grades

The My Grades tool is used by students to check their grades in the course. Instructors control which grades from the Grade Center are released to the My Grades tool. A preview of what columns are visible to students is available through the Grade Center. (In the Grade Center, from the 'Manage' dropdown, select Smart Views, then choose 'Preview of My Grades.')

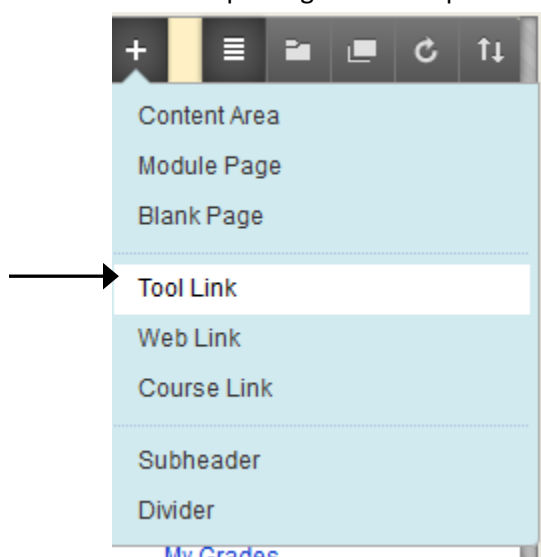

Note: Instructors do not have access to this tool and will receive an 'error' or a message that it is unavailable if trying to access it.

Adding the My Grades tool to the course menu:

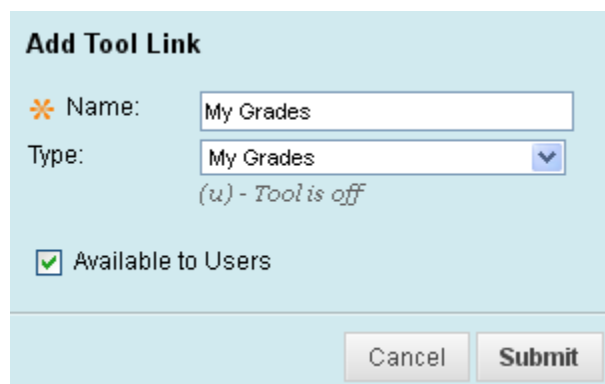

1. Once inside your course, make sure Edit Mode (upper right corner) has been turned 'On.'

2. Click the 'plus sign' at the top of the course menu and select 'Tool Link.'

3. Give the tool a name and choose 'My Grades' for the tool type. Check the box to make it available to users and click Submit.
