MSIE11 and Frequent Windows Security dialogs

Issue:
When using Internet Explorer 11, you find that browser is prompting you with a Windows Security dialog to re-authenticate in blackboard.jhu.edu.

![Windows Security dialog](image)

One Solution:
Add 'https://blackboard.jhu.edu' to the list of Trusted sites.

1. Select the gear in the upper-right corner of the screen, then select "Internet Options". If you have the Menu Bar enabled, you can select "Tools" > "Internet Options".

2. On the Internet Options dialog, click on the "Security" tab
3. Click on "Trusted sites" zone
4. Then click on the "Sites" button
5. In the "Add this website to the zone:" field, enter: https://blackboard.jhu.edu
6. and then click on the "Add" button

7. The Websites: section should now include https://blackboard.jhu.edu

8. Click on the "Close" button to close the Trusted sites dialog.
9. Click on the "OK" button to close the Internet Options dialog.
10. Quit out of browser, and re-launch
